Repairing the Sri Ranganatha Swamy Temple at Tirumale, Magadi Taluk

LAST REFERENCE:—

Letter No. 1478, dated 25th June 1903, from the Deputy Commissioner Bangalore District

In March 1903, the Deputy Commissioner submitted for the sanction of Govt an estimate amounting to

⊗ Flag X

and in June 1903, another estimate for the sum Rs 3019/-
Rs 3103 (Correct figure 3,016/-) for repairing the Sri Ranganathaswami Temple at Tirumale, Magadi Taluk and reporting that the Assistant Commissioner in charge of the Taluk was of opinion that the repairs were all necessary As the amount of the estimate was large I had reserved the question for my personal inspection of the Institution.

I inspected the Institution during the beginning of this month, and checked the estimate with reference to the actual requirements of the temple. It then appeared to me that all the items of repairs provided for in the estimate were not all necessary, and I accordingly selected such of them as were necessary and have noted them separately in the accompanying statement, thereby reducing the estimate to Rs 2,211/- This reduced amount may be sanctioned ~~accordingly~~ the charge being met from the savings of about Rs 5000/- reported to be available at the credit of the Institution.

Actuals on 31st March 1903 Rs. 4644-14-11

This temple is a very important and sacred one. The repairs, to the Extent I have reduced them, appear to be absolutely necessary. There are

funds to the credit of the temple as shown above. Mr. Krishna Shastry takes a deep interest in the temple, and has promised to get the works executed carefully under his personal supervision. Works to the extent of Rs. 2211 may be sanctioned.

The Amildar tells me that he has submitted an estimate for the repair of the Goparam in the estimate for the Tiruvalai temple; this does not appear necessary and may be struck out. An estimate should be made for the removal of the iron spikes at the top of the goparam as they attract lightning
